HAMPTON HIGH SCHOOL

# FOREWORD . . .

We, the Senior Class of 1951, unfold in these pages that part of our Life which we will always cherish. May it be a reminder of those days well spent in preparing us for the Future.

# DEDICATION

MRS. MARGUERITE M. J. STEVENS

For many years, Mrs. MARGUERITE M. J. STEVENS has sponsored the Senior classes of Hampton High School. Throughout these years she has challenged the seniors to high ideals and her interest and love for 'her boys and girls' was proven by the way she unselfishly gave of her time and energy.

With love and sincere appreciation of all she meant to us, we, the Senior Class of 1951, dedicate this annual to the memory of Mrs. STEVENS.

## CLASS HISTORY

It was a bright and sunny September day in the year 1948, that we Sophomores clambered down the stopped buses in front of our new alma mater, Hampton High School. We were all very proud to be entering H. H. S. for the next three years.

Our first weeks were spent studying and learning all the new football yells. Everyone at H. H. S. was very proud of our football team which won the Virginia State Championship that year.

After the football season we began to look toward the month of December, we all knew that in December we would get a well-earned rest during the Christmas Holidays. The Christmas Holidays were enjoyed by all.

Basketball took the spotlight after our return from the Christmas Holidays. (Of course we can't forget those mid-term EXAMS which were really tough!!!!!!). Also new at H. H. S. in 1948 was Coach A. P. Spoltore, the head basketball mentor. Coach Spoltore turned out one of the finest teams that Hampton Hi had enjoyed in over a decade.

The next few months dragged on and we soon began to take our last exams. All the Seniors were preparing for their graduation. Summer vacation finally arrived and our first year at H. H. S. had been a delightful one, making us look forward to our two remaining years.

September 1949 found us returning to "good ole' Hampton Hi." We were Juniors now and had a great many more privileges to enjoy.

First the Junior Class held an election which found us electing Dick Clark as President; Bobby Jebson as Vice-President; Edna Vaughan as Secretary; and Jack Hall as Treasurer.

The football team had another winning season, losing but two games in nine attempts. (In the Turkey Day Classic, our Traditional Rivals, Newport News upset our fighting Crabbers 6-0.)

Once again everyone enjoyed the Christmas Holidays which came slowly but passed quickly. The next few weeks found us reviewing and cramming for our mid-term exams.

Coach Spoltore's basketeers had a better season than the year before, just missing out on a bid to the State Tourney.

After basketball season, we Juniors began preparing for the Junior-Senior Prom which we wanted to make a great success for all of our Senior Classmates. The Prom was a success.

We all welcomed the long-awaited summer vacation which finally arrived.

The following September, 1950, was our last to be spent at H. H. S. We were now Seniors. (Well, most of us!!!!!!). As Seniors we held our Senior election. We elected to lead us, Dick Clark as President; George Becouvarakis as Vice-President; Edna Vaughan as Secretary; and Maurice Davis as Treasurer.

Again we were very proud of Coach Eason's Crabbers who tied Hopewell for the State Championship. The fighting Crabbers were undefeated and untied the whole season. (The Crabbers got their revenge on Newport News by shellacking them 41-7.)

Once again the Christmas Holidays came slowly and passed quickly. Mid-term exams were tough as usual.

The basketball team was again nosed out of the State Tourney, but had a good season just the same.

Now as we are walking the halls of H. H. S. and attending our classes for the last time, we can look back and know that our past three years have been happy and well-spent.

JIMMY MARK,

*Historian.*

## CLASS PROPHECY '51

Recently I took one of the most enjoyable trips I have ever taken. I returned to Hampton, Virginia, to the scene of my high school days and saw many of my old high school chums. I left Wilmington, Delaware, where I am employed at DuPont, early one Friday morning for Hampton. I drove my new Atomic Special automobile built by the Robert Diggs Motor Company and designed by Eddie Hooks and William Grant. Within the hour I arrived in the city limits of Hampton and stopped for gas at Judson Black's Service Center. The attendant who waited on me was Jack Brewer. Also working there were Sam Allison, Joe Long, and Frank Foster.

On the way to the home of Read Morton, an old friend with whom I stayed during my visit, I passed Elliott's Florist Shop owned by Ashton Elliott. Inside I saw Jane Lewis, Bessie McCarthy, Carol Christian, Dorothy Wallace and Luain Hamblin. I also passed the B & M Drive-In, which I learned later was run these days by Claude Burge and Paul Moberg. I stopped in the office of Dr. Richard Clark and had a long chat with him. Working in his office was Mrs. Charles O'Malley, formerly Loretta Powell, whose husband now owns a chemical company, with Kenneth Carter. Peggy Watkins, Betty Bishop and Frances Speegle also work in the busy office. While I was there Dick told me that John Ashford, Alfred Bloxom, Julie Harris and Don Meeker had all left town and now had thriving businesses in other towns.

I continued on down Kecoughtan Road and came upon the Wythe Shopping Center. There I saw Frank Lindberg, Sloan Lennon, Jack Root, Russell Royals and John Shumate standing in front of the Wythe Bank, whose new president was Maurice Davis. He had many of my old fellow students working for him. Some of them were Mary Arnn, Betty Jean Brown, Ronald Harris, Twyla Baker, James Ferguson and Jack Hall. Next door was the Stroop and Woodall Television Center. In front, loading a truck for morning delivery, were Dolan Clontz, Linwood Saunders and Ed Amos. Superintending the job were Sylvia Marshall and Peggy Harrell. In the next block I saw a group of ladies entering an up-to-date hat shop owned by Hope Flansburg and Peggy Horton. Among the group of ladies were Edna Vaughan, Betty Wheeler, Peggy Holland and Pat Hobgood.

Soon I came upon a great parade that was moving down the road. There was a band with leader Bob Patrick and made up of Kalman Grunwald, Alwayne Gunter, Melvin Klien, Lula Saunders and Ronald Hearn. I soon learned that the big doings were to celebrate the election of Bobby Jebson as U. S. Senator. In the procession were Generals Halsey, Day and Hollaway, who until recently was Superintendent of West Point. Members of their staffs along were Walter Tarver, Ned Johnson, Harrison Vanderslice and Charles Emrick. I also saw Sandra Eddy, now Mrs. Halsey. Other "big shots" in the parade were David Brown, owner of the Coca Cola works, Ralph James, his legal advsier, Donald Smith, Jebson's campaign manager, Eric Eggleston and Joe Hawks, new heads of the Shipyard, and David Holbrook, mayor of Phoebus. George Becouvarakis, mayor of Hampton, Jack Clark, mayor of Fox Hill, and Jack Gann, mayor of Copeland Park, were unable to attend, but sent their assistants, John Stack, Royce Jones and Wiley Baker. Mrs. Jack Clark, formerly Barbara Ledbetter, was in the crowd, as was Toby Lehrfeld, Norma Kirk, Louise Holland, Fred Kautz, Carolyn Lewis and Frank Harrington. The Daily Press and Times-Herald, owned by Bobby Lee and Jim Mark, had reporters Dorothy Jack and Joe Hunt and photographers Vencie Kilpatrick and Elaine Hayter on the job covering the event.

After the parade had passed I continued on my way. I turned on the radio and tuned in Station WVEC, owned by Gene Foster and Helen Thompson. Roscoe Young had just finished his late news summary and announcer Thomas Searls was doing a commercial about the new Handy Cook Book written by Joan Shortal and Sherrill Seymour. Sports Announcer Burrell Taylor then came on with his Sports Interview and had as his guests on the program Curtis Knight and John Cowley, coaches at William and Mary, and Charles Roughton, coach at Hampden-Sydney. Also on the program were two local tennis stars, Jackie Smith and Janet Putnam.

I now was finally at Read's and his wife, Shirley Brewer, met me at the door. The Woman's Club was holding its monthly meeting there and among the members I saw Geraldine Edwards, Gayanne Atteberry, Mary Bartsch, Grace Carlucci, Dorothy Eacho, Sally Estes, Jean Harding, Henrietta Harwood, Marilyn Kostyal and Claudia Norsworthy. The guest speaker was none other than Cary Jones, famous poet. Special guests were members of the school board, Alice Carpenter, Margaret and Martha Davis, Dolores Krantz, Earold Simmons and Freddie Barlow. Also attending the meeting were Martin Baxter, now principal of Hampton High School, Jean Cooper, Joyce Deane, Betty Edwards, Alvah Hodges and Joan Fekas, all teachers in the school system.

After a fine dinner I drove to Norfolk through the new Hampton Roads tunnel designed by Richard Pass and Robert Neil and built by the Virginia Construction Company, owned by Augustine Pignotti and Bobby Wainwright. While in the tunnel I saw Fred Priode, Joe Robinson and Lawrence Williams working on one of the huge lights that made it like daylight inside the tunnel. Just outside of the city limits I saw the new Sports Arena where wrestling promotor Howard Allen put on his events. In front of the arena I saw Hunter Spencer and Bob Nicholson putting up a sign that read "Wrestling Tonight, Man Mountain Neal versus Humphrey Copeland." Continuing along I recognized Carolyn Powell, Carolyn Porter, Mary Roberts, Betty Portwood, Doris Mallory and Betty McRee entering a huge department store owned by Bill Pfeifer, Doris Piland and Bruce Muni. Next door was a drug store run by Aubrey Walters. Working there were Norma Todd, Ann Windler and Jean Zehrbach. It was near supper time by now so I stopped at the Virginia Restaurant, owned by Jimmy Stearn and John Hayes. Also eating there were Dot Adams, Joe Guntharp, Alvah Hodges, Bobby Kennell and Barbara Johnson.

That night I attended the opening of the Airline Theater, owned by Phyllis Mills and run by Monnie Kanter. While buying a ticket I ran into Beverly Farster, Helen Jackson and Sara Knight. Inside I met Reverend Charles Long, June Mabry and Dorothy Morris. I saw Dick McClenahan and Bill Scull, now with Pathé News, hurrying around taking motion pictures. Nearby was Sue Snyder, now Mrs. McClenahan. Finally I reached my seat and to my delight I found Beryl Carter, Gloria Parsons and Thomas Logan sitting near me. The dedication ceremonies soon began with Jerry Barham as master of ceremonies. Marian Russell, Louise Baker, Barbara Poole, Nira Pittman and Bobby Phillips were also on the program. Next there was a stage show with local performers. Among them were Earl McNeal, Frank Wells, Katherine Miller, Marguerite Mugler and Louella Olsen. The film that followed was entitled "Randolph Street." It was produced by Bill Thomas and starred Faith Ann Debolt and John Mulqueen in the leading roles.

After the show I stopped at the Kessler's Barbeque and had a midnight snack. While sitting there eating I lived over the day I had just spent and thought with pleasure of all my old classmates I had seen and wondered about the others whom I had not seen during my day's visit, and I wished them good luck as I do all the class of '51.

## *Poem of '51*

*How strange and new it is, we find,  
To leave this part of Life behind.  
The Future has arrived too fast.  
We've hardly finished with the Past.  
With awed (yet eager) eyes, we face  
The world — a bustling, busy place.  
It looks at us in scorn, and asks,  
“Are you fitted for your tasks?  
Can you this constant burden bear,  
This life of trouble, toil, and care?”*

*We must face the question squarely,  
Never faltering, answering fairly,  
“We do not fear this world so cold.  
To us it shines with hidden gold.  
We know it may not be all gladness,  
But neither can it be all sadness.  
And if the road seems ever-winding  
We onward travel, never minding.  
And this worldly generation  
Has just begun its education.”*

CARY JONES.

## STUDENT ASSISTANTS

Students Assistants is an organization open to any Junior or Senior girls who meet the requirements of satisfactory scholarship and citizenship, neat appearance, respect for the student body and faculty, and a general desire to work agreeably and efficiently. These girls work during their free period in the library, in the offices of the High School and the Counciling Room, and in any other capacity where they can be helpful. They not only find satisfaction in serving their school, but receive valuable experience and a better understanding of administrative problems.

Library Assistants assist the librarian in the circulation and repairing of books; help to keep the library attractive; and aid other students to find reading materials suitable for recreation and factual reading.

## JOURNALISM CLASSES

English 10 and English 11 are the elementary and the advanced classes in journalistic writing. These courses offer English credit to the students participating. English 10 and English 11 students elect their own student editors who edit and arrange daily the class assignment sheet, the news bulletin board in the school corridor and the other mechanics of their daily journalism classes under the guidance of their instructor, Mrs. E. Blake Cameron, Jr.

## DISTRIBUTORS CLUB

The Distributors Club is composed of Distributive Education students taking retail or consumer classes. The club is primarily interested in promoting interest and awareness of retailing as a career.

The big highlight of the club is to sponsor annually an Employer-Employee Banquet which is given to honor those merchants who have worked with the students during the year. The club also holds socials in the form of bowling parties, dances and get-togethers. Other activities include having speakers visit with class, showing movies on techniques of good retailing, selling pennants and programs at football games and stationary and book stickers throughout school.

The club annually elects one student to represent the club at the State Convention in Richmond. Betty Wheeler, the President was chosen to go and in Richmond, was elected Vice-President of the State Convention and automatically became a delegate to the National Convention of Distributors Clubs at Tulsa, Oklahoma in April.

The club also attended a one day session Tidewater Area Conference in Norfolk in January with all other Distributive Education students from the area to hear outstanding speakers in retailing and go on field trips through the large stores.

## FUTURE HOMEMAKERS OF AMERICA (Home Economics)

The F. H. A. Club endeavors to promote a growing appreciation of the joys and satisfaction of home making and work for good home and family life for all. During this year the club has participated in many activities among them are:

The World Christmas Festival in which we collected toilet articles, toys, candy, and clothing. In all we packed and sent about eighty boxes. A teacher's luncheon was held; the girls taking Home Economics prepared and served the food. Other activities sponsored by the club were an assembly program in which young war brides told about Christmas in their home land; a dance, fudge and cookie sales, a rummage and cake sale, and a Mother and Daughter tea, at which the new officers were installed.

A hand engraved trophy will be awarded to the most outstanding member of the year.

## AUDIOGRAPHIC STAFF

The Audiographic Staff consists of a selected group of students in the Industrial Education Department. The group participates in the maintenance and operation of motion picture equipment and sound amplification apparatus for out-of-school activities as well as the regular school program.

One or more times each week, the staff meets for discussion and demonstration of the types of audio-visual equipment used in the schools. A few of the regular activities of the audiographic staff include setting up and operating sound amplification and motion picture equipment in the auditorium, providing and controlling the sound equipment for football games and collaborating with the projection staff in solving problems of classroom projection.

Special assignments this year included the setting up of a public address system for square dancing and other school programs in the new gymnasium. Tape recordings were taken of several programs including the band concert and Town Hall Meetings.

“Youth on the Beam” is an organization of Christian high school pupils in Hampton, banded together for the purpose of promoting Christian Fellowship and consistent Christian living as a means of fighting juvenile delinquency.

The idea of a club of this type came from the experience of two of the Hampton students, who were sent by Peninsula Youth For Christ to Kansas City, Missouri in January 1951 to observe the clubs of this type there. After their return they received permission from the school to organize a club.

Mr. T. L. Watson consented to be the sponsor and helped greatly in the organization of it.

“Youth on the Beam” club meetings are held every Thursday afternoon immediately after school. Each week there is some guest invited to bring an inspirational as well as entertaining program.

It is the aim of Y. O. B. to promote the best kind of friendships between schools, as well as between their fellow classmates.

### JUNIOR RED CROSS

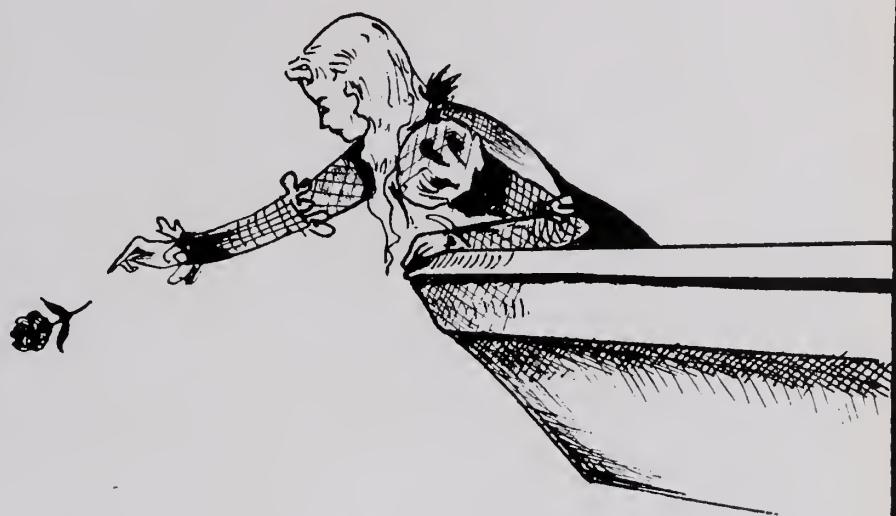

The Junior Red Cross is promoting an interest in the welfare of the people; both in this country and abroad. It works hand in hand with the Red Cross Chapter of Hampton.

One of the projects the Junior Red Cross has set up for the past three years in order to obtain money for the Hampton High School Red Cross Chapter is a slave sale. This year the Junior Red Cross Chapter turned in over \$150. One hundred of which was returned to redecorate and outfit the school sick room.

Christmas trees were decorated at the Kecoughtan Veteran's Hospital.

# DRAMATICS

### THE NATIONAL THESPIANS

The National Dramatic Honor Society for high schools was founded in 1929 at Fairmont State Teachers College, Fairmont, West Virginia. The Hampton High School Thespian troupe No. 300 was chartered in 1935.

Membership in the National Thespians is the highest dramatic honor that a student can attain in high school. Thespians are appointed by the troupe sponsor and the officers of the organization. They are members of the Garrick Dramatics Club who have done outstanding work on the production staff or in the cast of the plays given in the fall, winter and spring of the year by the Garrick Dramatics Club.

After graduation last, June, Jane Seyffert, Nancy Gough, Robert Walker, Claudia Wells, Johnny Edmonds and June Liberty took the annual trip to New York with Miss Elizabeth Boyenton, Mrs. Ruth Ruggles and Mr. William C. Kramer. The group saw the plays "South Pacific", "Mr. Roberts", "Death of a Salesman", "The Wisteria Trees," "Peter Pan." The Thespians inspected backstage after the performance of "The Wisteria Trees" and chatted with Jean Arthur backstage at "Peter Pan."

They stayed at the Hotel Victoria, attended radio broadcasts, and visited many places of interest in the city and crowded as much as possible into the short week. Everyone had a wonderful time.

COLORS: GREEN and WHITE

The Garrick Dramatics Club of Hampton High School was founded April 15, 1932, by Mrs. Kathryn Pace Cameron, Mrs. Margaret Patrick Wood, and Mr. R. E. T. Lewis. The club derived its name from David Garrick, the famous English actor of the 18th Century. Each year the club sponsors three major productions. Membership is based on dependability, interest and active participation in the cast or on the production staff.

# I Remember Mama fall Production

## THE GARRICK DRAMATICS CLUB

Due to the enthusiasm of the students and the encouragement and cooperation of the faculty, the Garrick Dramatics Club and its director, Mr. William C. Kramer, had a most enjoyable 1950-51 season.

The sentimental comedy, "I Remember Mama," was the fall production presented on November 30 and December 1, for which the Stage Crew constructed two revolving stages to facilitate the several scene changes.

The sophisticated farce "The Man Who Came to Dinner," the winter production, was presented March 1 and 2 to most appreciative audiences. The local paper considered the palatial drawing room setting created by the production staffs to be of "near professional quality."

Packing its wheelchair and mummy case, the dramatic club entered an act of "The Man Who Came to Dinner" in the Virginia High School League district one-act play contest in Williamsburg. Annette Hunt was selected second best actress by the judges for her portrayal of the actress Lorraine Sheldon.

The Garrick Dramatics Club produced the one-act play "High Pressure Area" on the Chamberlin Roof for the Mental Hygiene State Convention in February.

The club was also asked to present another play in that series, "The Ins and Outs", at the University of Virginia on March 31 as a demonstration play.

The Coca Cola Building was again the scene of the annual banquet held on April 26.

The spring production, "My Sister Eileen", presented on May 24 and 25 and featuring members of the Senior Class in the cast, brought the years' dramatic activities to a spirited close.

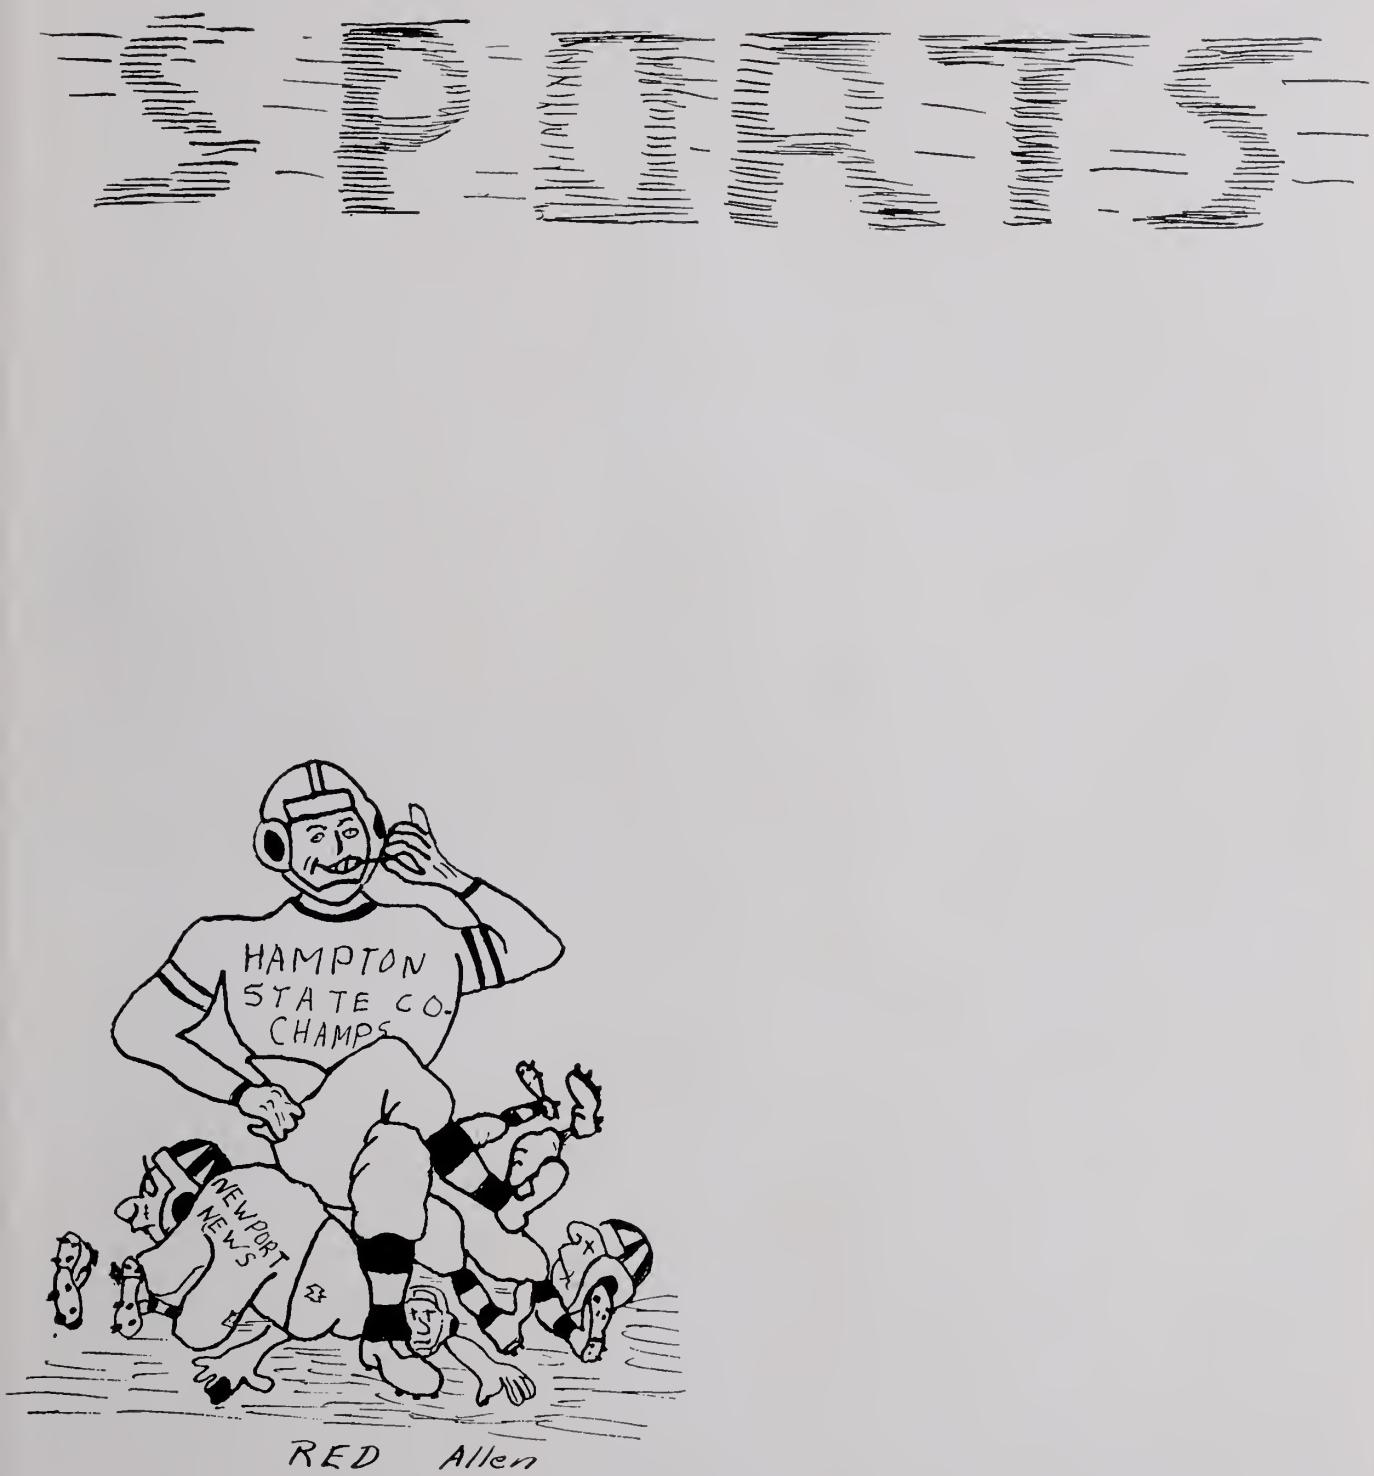

Past productions have included "Arsenic and Old Lace", "The Barretts of Wimpole Street", "She Stoops to Conquer", "The Admirable Crichton." Among many others the class of '51 will remember are "Ever Since Eve", "You Can't Take It With You", "Our Hearts Were Young and Gay", "Jane Eyre", "What a Life", "I Remember Mama", "The Man Who Came to Dinner", and "My Sister Eileen."

HAMPTON 46—ELIZABETH CITY 6

The 1950 Crabbers clawed to an easy victory over Elizabeth City, N. C., in their first game of the season. There was capacity crowd of 9,000 that turned out to watch the game between the Crabbers and Jackets, in the first annual Seafood Bowl Game.

Frank Boswell raced the opening kick-off back to the Crabbers 35. Eight plays and 65 yards later "Bull" Harrison racked up the first Crabber T. D. of the 1950 season.

Less than three minutes later the Crabbers added their second six-pointer, with Jack Brewer, Boswell and Harrison alternating in working the ball to the two yard stripe, where Harrison scored again. Co-Captain Royce Jones' kick for the extra point was good.

The third T. D. was added after Boswell ran a punt by Brickhouse

back 24 yards to the visitors 24. Harrison passed to end Curtis Knight for nine yards, and Brewer swept wide to the left after taking a handoff from Harrison to go the remaining 15 yards. Jones again converted to make it 20-0, Hampton's favor.

Center Rudy Hendricks intercepted Brickhouse's pass to set up the fourth T. D. Coach "Suey" Eason used his second string backfield of Jimmy Mark, Jack Clark, Kenneth Seals and Jack Hall to score again on Clark's two yard plunge. Jones added the 27th point by conversion.

The final five points of the half were added on a safety by "Curt" Knight when he tackled Hewitt behind the goal line as he attempted to

pass. A 25 yard field goal by Jones, later in the quarter, gave the Crabbers a 32-0 half time lead.

The Jackets returned to the field in the second half determined to make it more of a game, but Wiley Baker broke up their high intentions by recovering a "Carolina" fumble in Hampton territory.

The Jackets and Hewitt then began a passing attack that was highlighted by a 16 yard touch-down heave to Forman, a 1949 all-stater. The try for the extra point was no good.

Brewer's wide run from the nine yard line added the only third quarter score for H. H. S. Jones again converted.

Late in the fourth period the Crabbers made their final score when Harrison's long aerial connected with Jones for a 40 yard score. Jones added the extra point.

The crowd was highly entertained at half time by a ceremony sponsored by the Seafood Committee.

Queen Mitzi Gaynor, King Andy Roberts, and all their court met at mid-field and presented beautiful cups to the captains of each team. The entire Crabber squad remained on the field and witnessed Captains Boone and Jones receive these awards from the Movie Starlet.

stanza. "Bull" Harrison was the Crabbers loud offensive weapon, but it was the defensive play of Co-Captain Royce Jones, Lloyd Hicks and Curtis Knight which gave the Crabbers their second win in a like number of starts.

Boswell pounced on Kern's fumble when the Cadet was struck hard by Knight on Benedictine's 41. After three tries which placed the ball on the Cadet's 28, Harrison galloped for an uninterrupted touchdown. Jones added the first of two placements.

Minutes later Jones intercepted a pass intended for Gallagher. Jones ran the ball back 12 yards to the Cadet 47. Jack Gann picked up three yards before a Jack Clark to Jones aerial fell short. The same play was again called, and the adhesive fingered Jones snagged the toss on the Cadet 35, and went all the way to score.

Late in the second quarter, Hampton started a 61 yard touchdown drive. Harrison and Gann alternated in ball-carrying duties and carried the ball from their own 39 to the Cadets' 37 in four tries. Jones slipped in to catch a 22 yard aerial from Harrison. Clark then let go with a second touchdown throw to Knight.

Leading 20-0 the Crabbers went on defense in the third quarter and Benedictine showed its best attack of the night. The Cadets put over a T. D. in the fourth quarter when Pugh took a pitch-out from Rhodes. Benedictine presented a rugged team and offered an excellent test before the annual game with Maury. An excellent pass defense which allowed only one four yard completion, and rugged defensive work by Boone and Hicks were Crabber highlights.

## HAMPTON 20—BENEDICTINE 6

The Cadets traveled to Darling Memorial Stadium to meet Hampton for the Crabbers second game.

The Crabbers scored a pair of touchdowns within five minutes of the opening quarter, and tallied the third on the final play of the second

## HAMPTON 27—MAURY 12

The Crabbers packed up their equipment and moved to Norfolk, to meet the Maury Commodores at Foreman Field. The Commodores racked up the first score when Rose threw a 26 yard aerial to Stanton.

Hampton took the kick-off and began a 56 yard goalward march in 13 plays. Harrison broke over from the two and Co-Captain Royce Jones added the extra point.

The second Crabber score came on a 68 yard march, that saw a pass from Harrison to Gann which gained 20 yards. Harrison carried it over on the next play. Jones converted.

during the season.

This game marked the seventh straight year of triumph for the Crabbers over the Commodores.

## HAMPTON 32—CRADOCK 0

Cradock helped to add another notch in the Hampton belt of football victories.

The first score came within the first three minutes of the game taking the Red and White eight plays to move 64 yards for Harrison's first of four touchdowns.

Brewer added the final six points on a play that carried 37 yards.

The line play of the Crabbers continued to be brilliant with Jack Root, Wiley Baker, Co-Captain Jack Boone, Rudy Hendricks and Charles Copeland, the standouts.

Two more scores were added by Crabbers on a nine yard sprint by Boswell which climaxed a 45 yard drive, and on a pass from Harrison to Curtis Knight, Boswell set up the final marker by running back Maury's Co-Captain Gardner's punt 51 yards to the 19.

To mark up Maury's second T. D. Stanton flipped a 26 yard scoring aerial to Daly that went down the middle in the final minute of play.

Hampton's mighty line led by Jack Root, Charlie Copeland, Rudy Hendricks and Co-Captain Jack Boone, held Maury to a net gain of 10 yards by rushing.

Maury presented its best team in years, losing only one other game

ball of the year, turning what was expected to be a close ball game into a surprising rout.

Tee-Jay's Oliver was forced to kick from behind his goal line and punted out to Harrison, who ran the ball back 44 yards and the first Hampton score in the second period.

Brewer made his first score when he raced 36 yards for a touchdown, and in the third quarter went wide to his right for 53 yards and a tally.

Tee-Jay added their only marker after Oliver had run back Rudy Hendricks kick-off for 47 yards to place the ball on Hampton 29, and set up the score. On the next play Holiday uncorked a long aerial to Roberts for the marker.

A nineteen yard aerial from Clark to Curtis Knight accounted for a third quarter score by the Crabbers and in the final period Knight was given on the receiving end of a Clark pass that was good for a 39 yard touchdown gain.

Boswell added his marker on a fifteen yard scamper and the final came when Jack Hall was the target of Clark's 40 yard scoring aerial.

Co-Captain Royce Jones, still injured, converted on three of his seven tries.

Thomas Jefferson completed only one pass and had a minus ten yards rushing record for the night. Neal was a bulwark of strength in the Crabber line.

## HAMPTON 14—JOHN MARSHALL 7

The Crabbers set out to meet John Marshall in Richmond, determined to break the jinx that the Richmond City Stadium has held over them for many years. Both teams were unbeaten and untied.

Royce Jones, suffering from a "charley horse" made only two of his conversion attempts good.

The Crabber second stringers played much of this game and gave good accounts of themselves.

The Admirals featured in half-back Riggs, the fastest man in the State, but for most of the time he was ably bottled by the tight defense of the Crabbers.

## HAMPTON 45—THOMAS JEFFERSON 6

Hampton called out the long range scoring artillery to annihilate Tee-Jay of Richmond before 7,000 gleeful fans.

The Crabbers played their best

Before a crowd of 10,000, possibly a third of them being from Hampton, the Crabbers shelled out Jayem's chance for the State Group One Championship by downing the Richmonders 14-7.

In the second quarter Jayems' Allan Barbee put the home side out front with a sixteen yard race around right end for the Justice's only T. D. of the game. Roach converted for the extra point.

Harrison recovered a Barbee fumble on the John Marshall 23 and set up the game-tying touchdown movement. Two plays later, Boswell clicked his heels, and went around left flank and into the end-zone untouched. Royce Jone's conversion was good. The half ended 7-7.

Roach's punt went out on his own 26 and on the second down Harrison tossed to Jones on the six. Boswell went to the two, and the Crabber fullback, Harrison, went over standing up. Jones' conversion was again good and Hampton won 14-7.

Hampton, for the third straight year, did not allow a pass completion by Jayem.

## HAMPTON 34—SALEM 0

It was seven down and three to go for a perfect season for Hampton's surging Crabbers.

The Crabbers' fullback, "Bull" Harrison, scored the first T. D. early in the second stanza when he crashed over from the three. Co-Captain Royce Jones then added the first of four extra points. Their second six pointer came minutes later when Harrison tossed a long aerial to Frank Boswell who had sneaked past the Salem secondary. Hampton went into a 20-0 half-time lead when Jack Clark duplicated the same play to Boswell, only this time it covered 90 yards. Passing from behind his own goal Clark pitched a perfect strike to Boswell on the Crabber 35, and the halfback out distanced the Salem safety man to go all the way.

## HAMPTON 55—WARWICK 0

The floodgates burst open in the first minute of play at Darling Memorial Stadium, and before the adding machine could be re-oiled Hampton Crabbers had rocked Warwick's heavy farmers into a 55-0 defeat, their most humiliating as a Group One eleven.

After the Crabbers had marched some 42 yards to the Farmers' fifteen, "Frankie" took a reverse and lit out around his left end for the score. Royce Jones booted 7 of 8 placement kicks although suffering a severe injury to his right shoulder.

The third H. H. S. score came when Chris White fumbled on his own 23 just at the end of the third quarter and Jack Gann fell on the pigskin. This time it was a spot pass from Harrison to Boswell, that turned the trick, with Boswell racing across for the 6 points. Jones made it 21-0. The fourth touchdown came when Boswell cut through guard for the score after a seventy yard drive.

## HAMPTON 62 — HIGHLAND SPRINGS 6

The hard charging forward wall was led by ends Curtis Knight and Jack Root.

Fullback Billy Harrison scored on runs of 7, 48, and 77 yards to lead the Crabber scores. He was followed in the point parade by Frank Boswell on runs of 19 and 20 yards. The rest of the points were distributed among Jack Hall, Don Fitzgerald, Jack Clark, and John Cowley. Hall, Fitzgerald, and Cowley picked up their six points by receiving passes thrown by Clark. Jones booted eight of nine placements.

HAMPTON 41 — NEWPORT NEWS 7

The Hampton Crabbers trampled the Newport News Typhoons 41-7 to reign as Co-Champions of the State. The Crabbers slowed the Typhoons to a slight breeze to bring the Gene Edmonds Trophy to the halls of "Ole H. H. S."

While it was not exactly fitting for a funeral the Crabber gridders came onto the field in a funeral-like procession and then began to bury the Typhoon under the hard black turf of Saunders Stadium.

Harrison packed his 195 pounds over the goal line once and passed for two more. One of his pay-off heaves went to Boswell, "Mr. Outside of the Hampton double wing." For the afternoon Boswell counted three times.

Other T. D.'s for the Co-Champs were credited to a couple of reserves, end Don Fitzgerald, and back Frank Day. Jones converted for 5 points.

The Crabbers suffering from the blow of a 6-0 defeat from the Typhoon's in 1949, came onto the field determined to leave Saunders Stadium only after obtaining revenge. They left the field the smiling Co-Champs of 1950. The stigma of a 46-0 win by the Typhoons at the turn of the century was almost obliterated when Curtis Knight blocked a punt and the Crabbers recovered on the Newport News 10. However, time ran out just before the red and white could get set for their seventh T. D. Captain Royce Jones, who kicked 20 extra points in his final 22 tries, and Captain Jack Boone turned over to Captain Rudy Hendricks and Captain Lloyd Hicks the responsibility of keeping the Crabber ship on an even keel after the best season of Hampton football history.

The 1950 football team established the high scoring record in Crabber history.

The team record on defense, while excelled by some previous Crabber team, was still good enough to be the best in Virginia during the past season. From the beginning of the schedule to its end, only one team was able to fully extend the 1950 football machine.

A squad made up of larger boys than those who usually report for Crabber teams, held its own in every department and established what was perhaps the best record in Crabber history. It was a club which might score on any given play and its ability to do this enabled it to out

score all other state teams. The spirit and team unity were great. Each boy gave his best and as a result had a direct part in helping to establish a marvelous record of ten straight wins and no losses or ties.

The 1950 edition ably held its own and helped to run up the present five year streak which includes forty wins and only five losses. It also brought to Hampton High School a third football championship in the past nine years.

Many faces will be missing when practice begins next fall, but its a safe bet that those boys who wear the red and white in 1951 will be striving just as hard to extend the great record established by previous Crabber teams.

The cheerleaders, sponsored by Miss Henrietta Lanier and led by a most capable head cheerleader, Edna Vaughan, had a very successful season. They helped to promote the good Hampton spirit among the student body at both home and away games. The cheerleaders also worked with the S. C. A. in sponsoring a parade and bond fire before the Hampton and Newport News Game which closed the football season with a state championship team.

For the first time in the history of Hampton High School, the cheerleaders added color to their cheers with the acrobatic stunts of their little mascot, Patricia Carmines. The cheerleaders supported Hampton's basketball team by attending the numerous games that were played away from home, and they never failed to attend the games that were played at home. They also helped to stress the importance of good sportsmanship, which was displayed at all the games by the Crabber fans.

## THE VARSITY CLUB

The Varsity Club is composed of boys who earned letters in any of the four major sports here at Hampton High School. The group is school sponsored and its main purpose is to organize social activities for the members and the school student body.

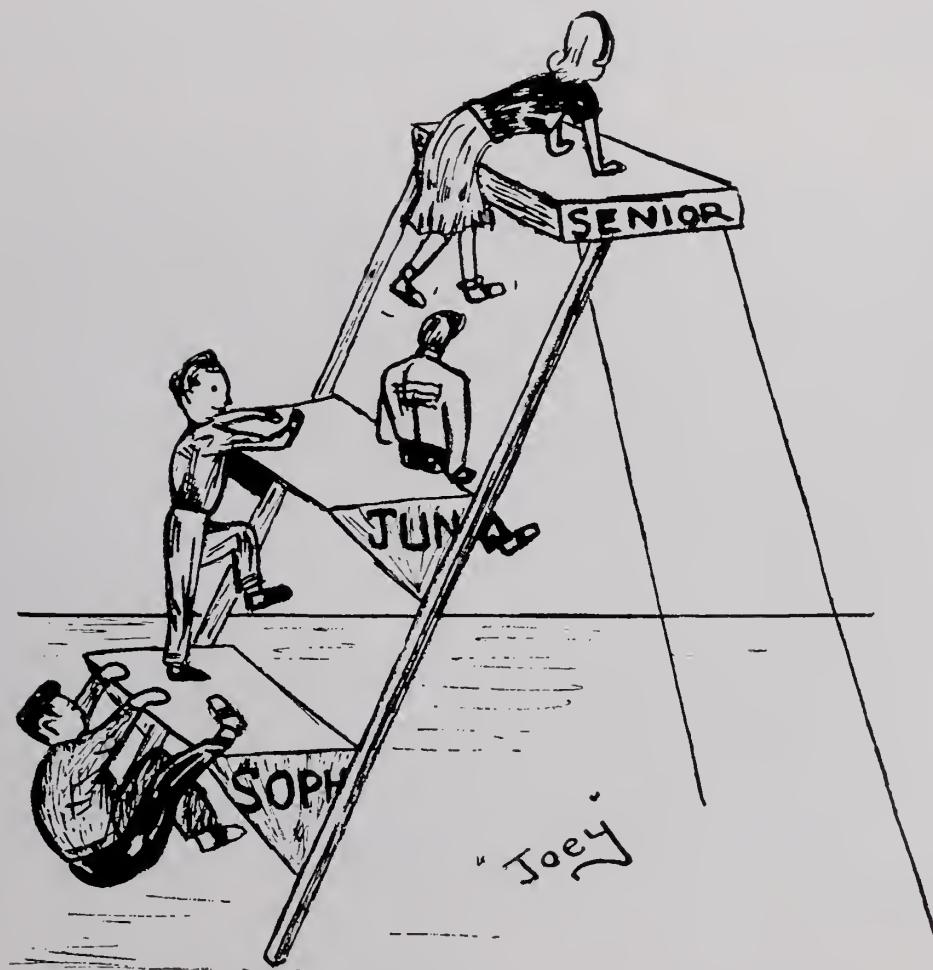

During the past year the club has sponsored a faculty basketball game. For the first time it supported the election and crowning of the Homecoming Basketball Queen. The members presented a gift to the school.
